

HOW TO ORGANIZE YOUR ATTENDANCE IN COMEC 2019

Important deadlines:

- ✓ Submission of the abstracts for the evaluation of the work until January 23, 2019.
- ✓ Official notification of acceptance until February 23, 2019.
- ✓ Final submission of the approved works until March 23, 2019.

OFFICIAL LANGUAGES

Spanish, English and German

Simultaneous interpretation will be available (English - Spanish, in some cases German), in the plenary sections and other main activities.

THE ORGANIZATION COMMITTEE OF COMEC 2019 HAS RECOMMENDED TO ORGANIZE ACCOMODATION WITH THE FOLLOWING AGENCY:

Gaviota Tours S. A is the official tour operator of the X International Scientific Conference on Mechanical Engineering COMEC 2019.

If you would like information on offers and promotional prices of the hotel that will welcome delegates and participants, contact:

Event Commercial Specialist
Lic. Claudia Arevalos Lam
Comercial direction. UEB Gaviota Tours Ventas.
Teléfono: +53 7 204 7816
GAVIOTA TOURS S.A. UEB VENTAS
Ave. 47, No.2833, e/ 28 y 34, Reparto Kholy, Playa,
La Habana, Cuba

CONFERENCE VENUE

Tourist destination Cayos de Villa Clara.

REGISTRATION FEES

| Participant | Online payment until 23/05/2019 | Online payment after 24/05/2019 |
|----------------------|---------------------------------|---------------------------------|
| Delegate | 250.00 | 300.00 |
| Companion | 100.00 | 150.00 |
| Graduate students * | 200.00 | 250.00 |
| Pregrade student * | 150.00 | 175.00 |
| Non-present delegate | 100.00 | 150.00 |
| Commercial Exhibitor | 150.00 | 200.00 |

* An official document certifying the status in the categories must be presented to the organizing committee.

Payments are made in CUC (Cuban Convertible Peso)

The papers of non-present delegates who do not personally participate in the Conference will be published only after payment has been made. The Organizing Committee will issue certificates of the publication upon request.

The registration payment can be made in two ways:

Bank transfer to net value or in cash. In the latter case, participants may pay the fees as published in this flyer at the conference venue at the time of accreditation.

The Organizing Committee invites you to extend this call to:

Personalities, scientists and professionals from the technology sector who wish to share their knowledge in this scenario of solidarity exchange.

We appreciate your opinions, suggestions or questions.

ANNOUNCEMENT

Within the framework of the II International Scientific Convention of Science, Technology and Society "CCI 2019", the Faculty of Mechanical and Industrial Engineering of the Central University "Marta Abreu" of Las Villas, Cuba and the Otto-von-Guericke University of Magdeburg, Germany will host the X edition of the International Scientific Conference on Mechanical Engineering, COMEC 2019. The Conference will be held under the auspice of the Ministry of Higher Education of the Republic of Cuba, in the tourist destination Cayos de Villa Clara, Cuba from June 23 to June 30, 2019.

COMEC 2019 will stimulate the exchange among professionals, scientists, technicians, businessmen, government representatives, international organizations and the general public, interested in investigating, promoting, analyzing and knowing about the advancement of technology, as well as its current applications in the different sectors of the society.

The Organizing Committee of COMEC 2019 reiterates the invitation to present professional contributions, with the guarantee that the organization committee we will strive to achieve common objectives in a climate of friendship and solidarity.
It is to you sincerely,

Prof. Dr.-Ing. Dr.h.c. Norge Isaias Coello Machado
Presidente Comité Organizador
COMEC, 2019.

ORGANIZING COMMITTEE

Honorary President:

Dr. Raúl Alberto Pérez Bermúdez
Dean of the Faculty of Mechanical and Industrial Engineering
Universidad Central "Marta Abreu" de Las Villas
UCLV, Cuba

Presidents:

Prof. Dr.-Ing. Dr.h.c. Norge Isaias Coello Machado
Faculty of Mechanical and Industrial Engineering, UCLV

Prof. Dr. rer. nat. Michael Scheffler
Dean of the Faculty of Mechanical Engineering
Otto-von-Guericke University Magdeburg, Germany

Executive Secretary:

Dra. Kirenia Abreu González
Faculty of Mechanical and Industrial Engineering, UCLV

Coordination:

Dr. Ricardo Alfonso Blanco
Head of the Mechanical Engineering Department, UCLV

Dr.- Ing. Dr. h. c. Elke Glistau
Otto-von-Guericke University Magdeburg, Germany

Prof. Prof. h.c. mult. Dr.-Ing. habil. Ph.D.
Béla Illés
University of Miskolc, Hungary

Prof. Dr. Ing. habil. Dr. h.c. Oliver Moravcik
Slovak University of Technology in Bratislava (STU), Slovakia

CONFERENCE OBJECTIVES

1. Stimulate the activity of research development and technological innovation in the field of Logistics, Mechatronics, Biomechanics, Material Science, Welding, Energy and the Environment and scientific exchange on their role in the convergence of knowledge.
2. Disseminate knowledge and experiences that improve productivity and quality during the conference.
3. Promote the exchange of experiences on Teaching Mechanical Engineering.
4. Develop readiness to integrate and build strategic alliances that can help develop new ideas in the different sectors of society.

SUBMISSION OF ABSTRACTS AND PAPERS

- Abstracts until January 23, 2019
- Papers until March 23, 2019.

PAPER FORMATTING GUIDELINES

The papers should be sent in PDF format, written in Arial font, 12 pts, single spacing, letter size sheet and margins of 2.5 cm on each side. The alignment should be made with justified paragraphs and a maximum number of 15 pages, including the annexes.

EVENTS OF THE CONFERENCE

- XVII Welding Symposium
- V Symposium of Computer Aided Design and Engineering, Biomechanics and Mechatronics
- V Symposium of Logistics and Quality Management
- V Materials Symposium
- VIII Workshop on Teaching Mechanical Engineering
- I Symposium of Manufacturing Processes

PAPERS FORMAT

- Capitalized title (up to 15 words)
- Author and co-authors with their emails.
- Institution and country of each author and co-author. Declare academic position as well as scientific degree.
- Summary of the work (up to 250 words).
- Keywords (up to 6)
- Text of the work (must have an introduction where clearly the objectives of the work are stated, the development of the work should be grouped into epigraphs, the conclusions, bibliographical references and annexes, where the tables and figures appear).
- The APA standards will be used for bibliographic references.

Language of the works: Written works will be received in Spanish or English.

The title, summary and keywords will be in the same language as the work. In the case of Spanish, you have to add the English translation for the title, the summary and the key words.

The Organizing Committee reserves the right to accept or reject the papers to be presented and does not guarantee the publication of the works received after the deadline.

The accepted papers of the Conference will be published on a compact disc with its ISBN registration.
