VII INTERNACIONAL SYMPOSIUM PSYCHOLOGY AND HUMAN WELLBEING

in Cuba

JUNE 23rd TO 30th 2019

**TOURISTIC DESTINATION "CAYO
SANTA MARÍA"**

The Psychology Department of the Central University "Marta Abreu" of Las Villas (UCLV), and the Regional Group of the Cuban Psychologist Society, invite to a new edition of the INTERNATIONAL SYMPOSIUM PSYCHOLOGY AND HUMAN WELLBEING. We aim to share in this new opportunity, a contemporary vision of our science, according to the main actual challenges in the Psychological Science. The objective of this meeting will be to promote scientific reflections and exchanges around the main challenges that presented to us in this century, as members of a science that is gaining maturity and experience in the work for human improvement.

The INTERNATIONAL SYMPOSIUM PSYCHOLOGY AND HUMAN WELLBEING will be celebrated in the course of the INTERNATIONAL CONVENTION "SCIENCE, TECHNOLOGY AND SOCIETY: PERSPECTIVES AND CHALLENGES". This Convention will take place in June, 2019.

Main Topics

1. Epistemology, Theory and History of Psychological Science.
2. Multidisciplinary and Contemporary Trends.
3. Health, Education and Wellbeing.
4. Subjectivity and Diversity: Society, Groups, Family, Gender and Generations.
5. Professional experiences for human development in the work field.

TYPES OF PRESENTATIONS

- Simple Panels
- Expert Panels (30 minutes).
- Free presentations (in each work session, 10 minutes to present the work and 5 minutes to answer any questions regarding the investigation).
- Electronic Poster.
- Workshops

REGISTRATION OF PAPERS

Papers must be sent in PDF format. The letter type will be Arial 12 points, simple space between the lines. The size of the sheets will be Letter Type and the border will be 2.5 cm each side. The text must be lined up to Justified Type. The maximal extension of the paper will be until 15 sheets including annexes.

FORMAT OF PAPERS

- Title will be in capital letter (until 15 words)
 - Authors names and e-mail addresses
 - Country of residence and work institution of each author. It will be necessary to declare work responsibilities (for example: head of department; dean; director, etc.), and scientific degrees.
 - Abstract (until 250 words).
 - Key words (until 6 words)
 - Text (must include an introduction in which appear the main objectives of the investigation; followed by the development of the investigation separated in epigraphs; then the main conclusions; bibliographic references and annexes (include tables and figures)).
 - The APA format will be used for quotations and bibliographic references.
- Language of the papers: papers can be written in Spanish or English. Title, Abstract and Key Words will appear in the same language as the paper. Papers written in English must add those elements also in Spanish
